I'm in training all day. As soon as I get time I'll get right back to you.

Hi Chris:

Please review and see if it makes sense. I did my best to make your 10 hour bi-weekly pay cap work and just logistical sense. I just don't know if you want to on days like October 8th and December 3rd where you would work 5 hours and then drive for 7 hour (Like I will do) or you can leave the next day. Please let me know what you think and if there are any errors. Thanks

Regards,

Eric
